**April 14-18, 2014**

**CONSENT & RELEASE**

On **April 14-18, 2014**, the library will be participating in the #MyNCLibrary advocacy campaign by collecting the photographs, tweets, statuses, and statements that you submit on paper or through Facebook, Twitter, and Instagram. We will only use material submitted physically on paper or by using the designated hashtag #MyNCLibrary through the named social media outlets. The content submitted by participants will help the library illustrate the scope and benefits of library use.

I give permission to the library to use my submissions in library marketing materials such as a newsletter or website. I understand that, given technology which allows sharing of information, my submissions ultimately may appear on the World Wide Web.

I release and hold harmless the North Carolina Library Association, and the library and its agents and employees from and against any claims or liability arising from or related to the use, publication or distribution of the photographs, videos, or statements.
